

Subject - English

Class - V

Lesson -1

Trust in God and do the right

Introductory questions.

1. Who do you remember when you are in difficulty?
2. Do you pay to God everyday?

Introduction-

In this poem the poet encourages man to face the problems. He suggests that we should not move in an unsteady way although our path is difficult we should be bold. We should have the ability to do something fearful without any dull feeling for tiredness.

Word meanings

Explanatation-

The poet says that there is always something that guides humble people . He asked man to have faith in God and do the good deeds even when his way is dark as night. When the road is not smooth and its end is out of vision, we should have the ability to see like a brave man.

Exercises

1. Make the sentences using the words
